

smallman & son

a chartered building company

SUPPLY CHAIN POLICY

Smallman and Son Ltd are committed to delivery the best service and quality to out clients and customers through developing collaborative relationships with all of our suppliers

To achieve this we will

- Be fair and transparent in procurement and selection
- Treat our supply chain members as genuine partners
- Achieve early involvement of the supply chain
- Partner all supply chain members who have a design input
- Involve the supply chain in our value engineering and planning processes
- Monitor performance with our supply chain
- Extend our training and development activities to supply chain partners

Through our successful supply chain management we seek to:-

- Reduce Costs
- Enhance Quality and Innovation for our clients
- Deliver Optimum Solutions for all
- Foster an integrated working, learning and sharing approach
